

Summer Internship

The Westport River Watershed Alliance, Inc. 2019

Position Description

The Westport River Watershed Alliance is seeking two qualified candidates to fill our seasonal, summer internship positions. The positions are 30 hrs/week at a rate of \$12 hr, from May until the middle of August (exact starting and ending dates flexible). The interns will work under the supervision of the Education Director, assisting with various projects. WRWA received a generous grant from BayCoast Bank to fund this position with understanding that preference be given to applicants that are enrolled as students at BCC or UMass Dartmouth.

Responsibilities

- Assist Education Director with school programs & field studies
- Assist Education Director with Coastal Explorers Club, a science-based summer program for children ages 3-16 at the beach & river
- Create materials for Watershed Education Program
- Help prepare for River Day in June, and Summer Fundraiser in August
- Assist with interpretive tours for the public
- Participate in weekly water quality monitoring program on the Westport River
- Assist with general administrative tasks and other projects as they arise

Personal Characteristics

- Enthusiastic engagement with the mission and activities of the Westport River Watershed Alliance
- Energy & enthusiasm to work with all ages

Professional Qualifications

- Experience working with children of various ages
- Basic knowledge of the natural sciences and or/marine ecology
- Flexibility to work on a wide range of projects
- Ability to work comfortably and effectively in a professional, organized manner
- Experience with informal teaching in outdoor setting a plus

The internship is offered to an undergraduate student who plans to pursue a career in environmental science, environmental education or a related field. Some past interns have been able to receive college credit for the internship through arrangements with their university.
